WHAT IS EASTERN STAR & WHO CAN JOIN?

Eastern Star is a social order comprised of persons with spiritual values, but it is not a religion. Its appeal rests in the true beauty of the refreshing and character-building lessons that are so sincerely portrayed in its ritualistic work. A deep fraternal bond exists between its members.

It is the wholesome relationship of sisterly and brotherly love brought about through high principles exemplified in our lives which makes us near and dear to each other.

If you are a Master Mason in good standing or a woman with one of the specific Masonic affiliations to a Master

Mason living or in good standing at the time of his death, age 18 or older, you may become a member. A majority member of Rainbow may also become a member.

Petitions for membership are signed by the applicant and recommended by two members of the Chapter in which the petition is placed. Specific fees will accompany the petition. Petitions are read at a stated meeting and referred to a committee of three (3) for investigation. Once the investigative committee returns with a favorable report, the petition is voted on and, if approved, you will then be initiated into the Order of the

Eastern Star!

A member who has been under suspension for non-payment of dues may pay the current year's dues plus a reinstatement fee. If suspended for more than (1) one year, three-fourths (3/4) of the members present at a stated meeting must vote to consent to reinstatement.

Our Chapter needs you and we need more members. Rather than tossing the bulletin after you have read it, share it with someone and share why you joined Eastern Star with that person. Help someone to also realize the many benefits of being a member. We look forward to seeing you at one of our meetings or activities. God Bless.
